

2025 GoodWe EcoSmart Kids Program

PARENTAL CONSENT AND COMPETITION ENTRY FORM

In this form, a parent/legal guardian is required to give consent to their child to participate in the “EcoSmart Kids” competition, following the participation in the EcoSmart Kids program school visit.

GoodWe is a world-leading manufacturer of Solar products, and one of the top brands in Australia, with a dedicated Australia-based team. GoodWe have devised a short, digital workshop that will teach children in a positive manner, some basic information about climate change, helping the environment and renewable energy.

The Competition

All participating children are invited to enter our competition to win some amazing prizes! To enter, the child must create something that tells us something about how we can help the environment.

They can do this in whatever way they choose and what interests them, such as art, writing, model making, videos, presentation, music, baking etc. This will not be judged on talent, but on the level of imagination, creativity, effort and the important message they want to express. **For fairness, entries must be individual, not as a joint entry or group entry.**

Entries need to be either clearly photographed, scanned or as recorded videos in high quality for our judges to review.

Please also send in a clear scan or photograph of this full completed and signed form, with your competition entry. Entry forms that are hard to read or not fully completed will not be accepted.

Entries and entry forms can be sent either via email to ecosmartkids@gmail.com (up to 25MB in size) or for larger file sizes, please send them using free websites such as www.wetransfer.com

Please submit entry forms and competition entries by 31st July 2025.
